DEPARTMENT OF MANAGEMENT STUDIES

NEWSLETTER FEBRUARY-MAY 2026

ABOUT THE DEPARTMENT

Established in 2002, the NBA-accredited MBA programme develops industry-ready management professionals through a curriculum that blends academic learning with practical business exposure.

The department offers modern infrastructure, including smart classrooms, advanced computer labs, and a resource-rich library. Strong industry collaborations provide students with internships, training, guest lectures, and networking opportunities. An AICTE-sanctioned Entrepreneurship Development Cell further supports innovation and entrepreneurial growth.

With a focus on academic excellence, leadership, employability, and entrepreneurship, the department prepares students to become future-ready business professionals and responsible leaders.

TIMES ALL INDIA ENGINEERING INSTITUTES RANKING SURVEY 2026
The primary objective of this exercise was to identify and rank the top engineering colleges in India. The rankings were determined through a multi-phase methodology comprising three key modules: Desk Research, Perceptual Survey, and Practical Survey (Participatory Survey).

TOP 100 ENGINEERING INSTITUTES RANKED 2026
Rank and Name

99	Amrita School of Engineering & Technology, Jaipur
98	Orient Institute of Science & Technology, Bhopal
57	Tagore Engineering College, Chennai
57	Sri Sarvam Engineering College, Chennai
56	MUR Institute Of Technology, Hyderabad
55	Hyderabad Institute of Technology and Management, Hyderabad

REGION-WISE RANKING SOUTH

22	Sethu Institute Of Technology, Virudhunagar
23	Sri Ramesh Krishna Raja Engineering College, Chennai
24	Tagore Engineering College, Chennai
24	Sri Sarvam Engineering College, Chennai
25	MUR Institute Of Technology, Hyderabad
25	Hyderabad Institute of Technology and Management, Hyderabad

Tagore Engineering College has added another milestone to its journey of academic excellence by securing the 57th Rank Nationwide in the Times All India Engineering Institutes Ranking Survey 2026. The institution has also achieved the 24th Position in the Southern Region, reflecting its consistent commitment to quality education, innovation, research, and student development.

This remarkable achievement is a testament to the collective efforts of the management, faculty, staff, students, alumni, and industry partners. The recognition further strengthens the institution's reputation as a leading center for engineering and management education and motivates the college community to continue striving for excellence in all spheres of academic and professional development.

AWARDS OF THE DEPARTMENT

The Department of Management Studies has consistently earned recognition for its commitment to academic excellence, quality education, and student development. The department has been proudly recognized as “India’s Best B-School” in the Careers360 Rating 2026, a prestigious achievement that reflects its dedication to providing industry- oriented management education and fostering future business leaders.

This recognition highlights the department's strengths in academic delivery, industry interaction, placement support, entrepreneurship development, infrastructure, and overall student outcomes. Through innovative teaching practices, strong industry collaborations, and a focus on holistic development, the department continues to establish itself as one of the leading management institutions in the country.

The award serves as a testament to the collective efforts of the faculty, students, alumni, industry partners, and management in maintaining high standards of excellence and creating a dynamic learning environment that prepares students for successful careers in the global business landscape.

2023, 2024 & 2025**

YASHAS'26

YASHAS'26- an Intercollegiate Culturals, a vibrant celebration of talent, achievement and memorable moments at Tagore Engineering College on 13th February 2026.

YASHAS'26, the Intercollegiate Cultural Fest of Tagore Engineering College, was held on 13 February 2026 as a vibrant celebration of talent, creativity, and youthful enthusiasm. The event brought together students from various colleges, providing a dynamic platform to showcase their artistic, cultural, and extracurricular talents.

The fest featured a wide range of competitions and performances that encouraged creativity, teamwork, and healthy competition. Students actively participated in various events, making the occasion memorable and enriching. YASHAS'26 successfully fostered cultural exchange, strengthened interpersonal connections, and created lasting memories, reflecting the spirit of innovation, achievement, and celebration.

SPORTS ACHIEVEMENTS

The 27th Annual Sports Day, held on 11th February 2026, celebrated teamwork, discipline, and sporting excellence with great enthusiasm and energy.

Mr. Dinesh Kumar D actively represented the Department of Management Studies in various sports events during the academic year 2025–26. He participated in Cricket and Volleyball at the Anna University Zonal Tournament 2025–26 and further showcased his sporting talents in Cricket and Tug of War during the 27th Annual Sports Day of Tagore Engineering College. His consistent participation, team spirit, and dedication to sports brought recognition to the department and reflected the importance of balancing academic excellence with extracurricular achievements.

SPORTS ACHIEVEMENTS

Ms. Malini G actively participated in various sports events during the academic year 2025-26, representing the Department of Management Studies with enthusiasm and dedication. She competed in Ball Badminton and Throw Ball events at STRIKERS FEST 2026 and the 27th Annual Sports Day conducted by Tagore Engineering College.

Her active involvement and sportsmanship reflect the department's commitment to encouraging student participation in extracurricular activities and promoting holistic development.

CLUB INAUGURATION - “LEADSPHERE CLUB”

The Department of Management Studies inaugurated the “Leadsphere Club” on 17-03-2026 to improve the Leadership, Communication & Leadership skills of our students. Ms Rajalakshmi, Chairperson - ISTD Chennai Chapter & Mr B Venantious, Founder & CEO – Eminence Group graced the occasion

The club was established as a platform to nurture future leaders by providing opportunities for personal and professional development through various learning activities and events. The inauguration ceremony was graced by Ms. Rajalakshmi, Chairperson, ISTD Chennai Chapter, and Mr. B. Venantious, Founder & CEO, Eminence Group, as distinguished guests.

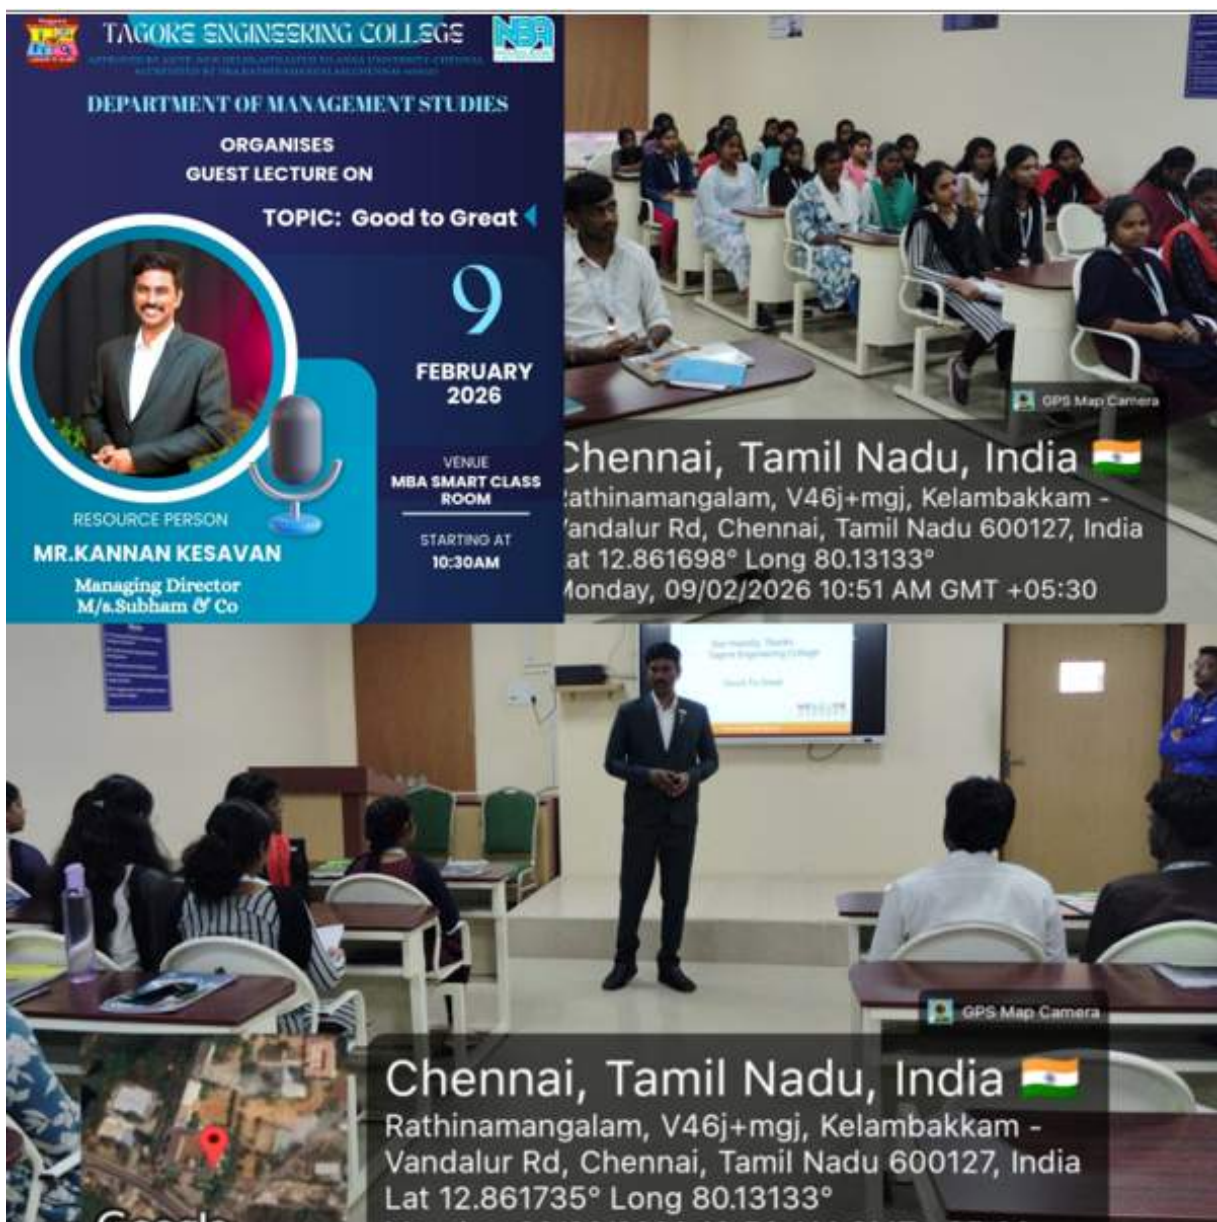

They shared valuable insights on leadership, career growth, and the importance of effective communication in achieving professional success. The event inspired students to actively participate in club activities and develop the competencies required to excel in today's dynamic business environment.

GUEST LECTURE ON “GOOD TO GREAT”

The Department of Management Studies organized a Guest Lecture titled “Good to Great” on 09 February 2026 from 10:30 AM to 12:30 PM in the MBA Smart Room. The session was delivered by Mr. Kannan Kesavan, Managing Director, M/s Shubam & Co., who shared valuable insights on personal growth, leadership excellence, and the qualities required to achieve success in both professional and personal life.

The resource person emphasized the importance of vision, commitment, continuous learning, and effective decision-making in transforming good performance into great achievement. Through real-life examples and interactive discussions, students gained practical knowledge on leadership, goal setting, teamwork, and career development. The session was highly motivating and inspired students to strive for excellence and develop a growth-oriented mindset.

GUEST LECTURE ON “CAREER PATH – INDIAN GRADUATE TO GLOBAL FINANCE PROFESSIONAL”

The Department of Management Studies organised Guest Lecture titled “Career Path- Indian Graduate to Global Financial Professional” on 09-04-2026. Ms. Shilpa, Product Head & Lead Analyst, Immarticus Learning was the resource person.

The lecture provided valuable insights into the diverse career opportunities available in the global finance sector and the skills required to succeed in an increasingly competitive international job market.

The resource person discussed emerging trends in finance, professional certifications, industry expectations, and career pathways in areas such as investment banking, financial analysis, risk management, and fintech. She also highlighted the importance of continuous learning, analytical skills, and professional networking in building a successful global finance career.

The interactive session enabled students to clarify their career aspirations and gain practical guidance on enhancing their employability. The lecture was highly informative and motivated students to explore global opportunities in the finance domain.

VALUE ADDED CERTIFICATION COURSE

The Department of Management Studies in association with Zoho Corp organised 40 hours value added certification course on "Zoho Books" from 9th to 13th March 2026 for first year students.

The program provided hands-on training in cloud-based accounting, invoicing, inventory management, GST compliance, and financial reporting. The course enhanced students' practical knowledge of accounting software and equipped them with industry-relevant skills, thereby improving their employability and professional competence.

**The I Year MBA students visited the
IIITDM Incubation Center,
Kancheepuram, on 30th March 2026.**

The visit featured an engaging session conducted by the Madeit Innovation Foundation, providing students with insights into innovation, entrepreneurship, startup ecosystems, and business incubation processes. The program offered valuable exposure to emerging business opportunities and encouraged students to develop an entrepreneurial mindset.

INDUSTRIAL VISIT – MODERN BAKERS (PARLE G), MADHAVARAM

The Department of Management Studies organised Industrial Visit to Modern Bakers (Parle-G), Madhavaram on 19th Feb 2026 for first year students.

The visit provided students with an opportunity to observe the large-scale production processes involved in the manufacturing of Parle-G biscuits and understand various aspects of industrial operations.

Students gained insights into production planning, quality assurance, inventory management, packaging, and distribution practices followed by the company.

The visit also highlighted the importance of operational efficiency, hygiene standards, and technological advancements in the food processing industry. The industrial visit served as a valuable learning experience, enabling students to relate theoretical management concepts to practical industrial applications.

INDUSTRIAL VISIT – EAST WEST LINGAM PVT. LTD, SRIPERUMBUDUR

The Department of Management Studies organised Industrial Visit to East West Lingam Pvt Ltd on 11th April 2026 for first year students.

The visit provided students with valuable exposure to industrial operations, manufacturing processes, quality control practices, and organizational management systems.

During the visit, students gained firsthand knowledge of production planning, supply chain management, and workplace safety measures. The industry experts interacted with the students and shared insights into current industry practices, challenges, and career opportunities in the manufacturing sector.

The visit served as an effective platform for bridging the gap between classroom learning and real-world business operations, thereby enhancing the students' practical understanding of management concepts.

SOCIAL OUTREACH PROGRAM

As a part of Social Outreach Program our MBA first year students successfully conducted a Digital Crop Survey in association with the NSS unit and Chengalpattu District Collectorate on 04-02-2026.

The initiative aimed to support the collection of agricultural data through digital platforms, contributing to effective planning and decision-making in the agricultural sector.

The students actively engaged with farmers and assisted in gathering accurate crop-related information using digital tools and technology. This outreach activity provided valuable field exposure, enhanced students' understanding of rural development initiatives, and fostered a sense of social responsibility. The program reflected the department's commitment to community engagement and experiential learning beyond the classroom.

STUDENTS PARTICIPATION IN ISTD FOUNDERS DAY LEADERS CONNECT

Our students participated in the ISTD Chennai Chapter's Founders Day – leaders connect on 10th April 2026, a meaningful and enriching gathering focused on learning, leadership, and professional development.

The event served as a meaningful and enriching platform for students to engage with industry leaders, management professionals, and academicians.

The program focused on leadership development, professional growth, and lifelong learning through insightful discussions and interactive sessions. Students gained valuable perspectives on effective leadership, career advancement, and industry expectations.

Their participation enhanced their professional outlook and reflected the department's commitment to fostering leadership qualities and continuous learning among future managers.

INTERNATIONAL CONFERENCE ON RECENT ADVANCES IN SCIENCE, ENGINEERING AND MANAGEMENT 2026

The Department of Management Studies was honored to host Dr. (Mrs.) Diluxshy Ravichandran, Senior Lecturer Grade I, Trincomalee Campus, Eastern University, Sri Lanka. With over 15 years of experience in teaching, research, and academic administration, she has made significant contributions to higher education through her leadership roles and scholarly achievements. Her presence added immense value to the conference, inspiring participants with her expertise and academic excellence.

The conference served as a vibrant platform for academicians, researchers, industry experts, and students to exchange ideas, present innovative research findings, and discuss emerging trends across science, engineering, and management disciplines.

The conference reflected the department's commitment to promoting research excellence, innovation, and academic-industry interaction at both national and international levels.

Conference Paper Presented

Our I MBA students presented paper and won certificates in National Conference held on 18.02.2026 at Prof. Dhanapalan College of Science and Management.

Ms. Tamilarasi E., Ms. Nandhini S., and Ms. Malini G. presented a paper on “Changing Trends in Consumer Behaviour and Trade.” Ms. S. Janani, Ms. K. Dhanusiya, and Ms. S. Nithyasree presented their research on “The Role of E-Commerce and Quick Commerce in the Modern Economy.” Mr. G. Sugumar, Mr. Elumalai B., Mr. Rakesh A., and Mr. Naveenraj T. presented a paper titled “Role of Payments in India’s Digital Banking Revolution.”

The students demonstrated strong research, analytical, and presentation skills while sharing their findings with academicians and fellow researchers. Their participation enhanced their understanding of contemporary business issues and provided valuable exposure to academic research and professional networking.

The students were awarded certificates in recognition of their successful paper presentations.

Our students presented Paper in International Conference RAMCIT 2026 held on 31.3.2026 at New Prince Shri Bhavani College of Engineering & Technology.

The students of the Department of Management Studies Ms.Nithyashree.R and Ms.Varshitha.S presented a research paper titled “A Study on the Impact of Artificial Intelligence on Employment: Threat or Opportunity” at the International Conference RAMCIT 2026 at New Prince Shri Bhavani College of Engineering & Technology.

The paper examined the influence of Artificial Intelligence on the employment landscape, highlighting both the challenges posed by automation and the opportunities created through technological advancement and skill development.

The presentation provided students with an excellent platform to showcase their research and analytical abilities while engaging with academicians, researchers, and industry professionals. Their participation enhanced their understanding of emerging technological trends and reinforced the department's commitment to promoting research-oriented learning and academic excellence.

MANAGEMENT DEVELOPMENT PROGRAMME (MDP) ON “DRIVING ORGANIZATIONAL EXCELLENCE THROUGH LEADERSHIP”

The 3-day Management Development Programme on “Driving Organizational Excellence through Leadership” was successfully conducted in collaboration with the National Institute of Personnel Management – Madras Chapter & Jerusalem College of Engineering from 15th- 17th April.

3-DAY MANAGEMENT DEVELOPMENT PROGRAMME
**DRIVING ORGANIZATIONAL EXCELLENCE
THROUGH LEADERSHIP**

15th – 17th April 2026 | Mode – Online

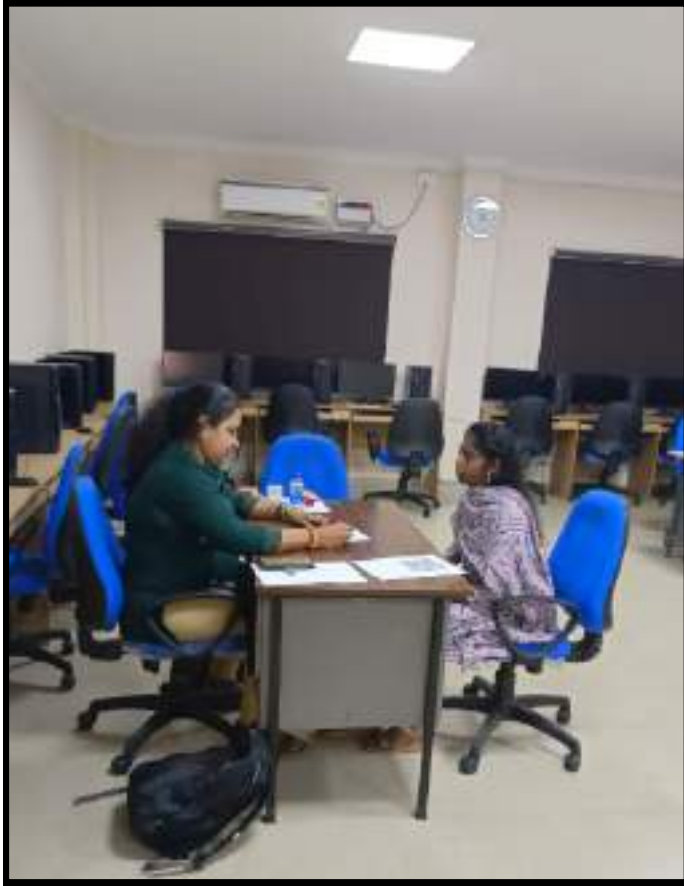

KEY OUTCOMES

- Strengthened leadership effectiveness in dynamic environments
- Enhanced emotional intelligence and interpersonal skills
- Improved people-centric and team management capabilities
- Developed adaptability to remote and hybrid work models
- Gained insights into sustainable leadership and well-being

E-CERTIFICATES AWARDED TO ALL PARTICIPANTS

A HEARTFELT THANK YOU!
We extend our sincere gratitude to our esteemed resource persons for sharing their invaluable knowledge and insights, and to all participants for their enthusiastic involvement and active participation that made this programme a grand success.
Together, let's lead the change and build a better future!

PLACEMENT DRIVE 2026

The Job Fair & Career Expo – Placement Drive 2026 was successfully conducted on the college campus on 18 April 2026. The event brought together more than 40 reputed companies offering over 3,000 job opportunities across diverse domains. The placement drive provided exclusive career opportunities for the graduating 2026 batch as well as aspiring job seekers.

The event served as an excellent platform for students to interact with recruiters, explore career options, and participate in recruitment processes. It facilitated industry-academia collaboration and enhanced employment prospects for students by connecting them with leading organizations. The Job Fair reflected the institution's commitment to fostering career development and creating meaningful employment opportunities for its students.

PLACEMENT DAY – 2026 BATCH

Placement Day, held on 9th may 2026, celebrated the successful career achievements of students and marked a significant milestone in their professional journey.

The Department of Management Studies celebrated Placement Day on 9 May 2026, recognizing the successful placement achievements of its students and marking a significant milestone in their professional journey. The event honored students who secured employment opportunities in reputed organizations through campus recruitment drives.

Placement Day served as a platform to acknowledge the hard work, dedication, and perseverance of the students, while also highlighting the department's commitment to enhancing employability through industry-oriented training, skill development programs, and career guidance initiatives. The occasion inspired aspiring students to pursue their career goals with confidence and determination.

STUDENT NPTEL STAR ACHIEVERS

The Department of Management Studies takes pride in congratulating its students for successfully achieving NPTEL Elite Certification in various courses during the academic year 2025–26. The students demonstrated exceptional commitment to continuous learning by completing industry-relevant courses offered through the National Programme on Technology Enhanced Learning (NPTEL).

The certifications were earned in diverse domains such as Advance in Strategic Human Resource Management, Services Marketing, Management of New Products and Services. These accomplishments reflect the students' dedication to enhancing their knowledge, developing professional competencies, and staying aligned with industry expectations.

The department appreciates the efforts of all the NPTEL Elite Achievers and encourages students to actively participate in such certification programs to strengthen their academic and career prospects.

FACULTY NPTEL STAR ACHIEVERS

The certificate is a yellow and purple document. At the top, it features logos for Anna University, NBA, and the Institution's Innovation Council. The main title is 'TAGORE ENGINEERING COLLEGE' in large blue letters. Below it, text states 'Approved by AICTE- New Delhi, Affiliated to Anna University- Chennai, Accredited by NBA Rathinamangalam, Chennai- 600127.' The department is 'DEPARTMENT OF MANAGEMENT STUDIES'. A central banner reads 'Hearty Congratulations' in cursive. To the left, 'TNEA CODE 1420' is displayed. To the right is the NPTEL logo. A white box in the center says 'NPTEL ELITE - FACULTY ACHIEVERS'. Below this, the period 'Jan - April 2026' is noted. Six faculty members are featured in circular portraits with laurel wreaths. Each portrait is accompanied by their name, title, and a list of courses completed. At the bottom, contact and social media information is provided.

STUDENT ACHIEVEMENTS

The Department of Management Studies proudly congratulates Ms. Yuvashree J, II MBA, for her outstanding academic achievement in securing a GPA of 9.1. Her dedication, hard work, and commitment to academic excellence have brought pride to the department. This accomplishment reflects her perseverance and passion for learning.

STUDENT ACHIEVEMENTS

The Department of Management Studies proudly congratulates Ms. Roshini J (II Year) and Ms. Nithyasri R (I Year) for their outstanding academic performance, securing impressive GPAs of 9.0 and 9.1 respectively. Their dedication, perseverance, and commitment to excellence have earned them recognition as the department's Shining Stars. We applaud their achievement and wish them continued success in all their future academic and professional endeavors.

FACULTY ACHIEVEMENTS

The Department of Management Studies proudly congratulates Dr. P. Priyadarsini, Head of the Department, on the publication of her research article titled “Artificial Intelligence in Indian Healthcare Sector: Opportunities for Market and Economic Growth.” The paper has been published in Springer and indexed in the Web of Science, reflecting her significant contribution to research and academic excellence. This achievement brings pride to the department and serves as an inspiration to faculty members and students alike.
