

Hearty greetings to the fraternity of Tagore Engineering College on the joyous occasion of Teachers Day on 5th September 2020.

The day resonates the desire to respect the significant role played by a teacher- A Guru, in awakening a joy for creative expression and knowledge among students. The intrinsic values of a good education system can be imparted the best through the concerted efforts of dedicated teachers. They play an integral part in the complex scheme of nation-building. They have the power to shape the plurality of voices to a melodious symphony of love, care and peaceful co-existence.

We deeply value the contribution of our teachers, their integrity, commitment , empathy and unflinching loyalty to the values of college life.

It is a day to celebrate and dedicate ourselves to the future of our nation.

Wishing all the faculty members a very happy teachers Day.

With warm regards

(Dr.M.Mala)
